

November 2015

Friends of the Civil War Round Table of St. Louis,

Our 2015-2016 campaign has gotten off to a great start with outstanding speakers and strong attendance. At our October meeting, a member brought his 100 year old mother with him. With a strong and steady voice, she led us in saying the Pledge of Allegiance.

The next meeting of our round table will be held on December 2. Our speaker will be Ted Hillmer Jr., the superintendent at Wilson's Creek National Battlefield in southwest Missouri.

With Thanksgiving Day this month, I am very thankful for our 118 members and all the volunteers who fill the roles necessary to run our round table.

I hope to see you at our December meeting!

Paul Hauser, President
