

January 2016

Fellow History Lovers,

Happy New Year from the organization "Bringing History to Life" the Civil War Round Table of Saint Louis. In the coming months, our programs will range from Civil War Medicine to James Eads and his Gunboats to the Lincoln-Douglas Debates. Please consult this website for more details on our January through May programs. Visitors and current/ former members are always welcome at our meetings.

In 2016, the National Park Service (NPS) will celebrate its 100th birthday. A hidden gem of the NPS in the St. Louis area is the Ulysses S. Grant Historic Site at 7400 Grant Road across from the popular Grant's Farm. Superintendent Tim Good and his staff do a great job of helping you to explore President Grant's White Haven Plantation.

The Civil War Round Table wants to thank all the men and women of the National Park Service for helping us get the most out of our visits to all of the landmarks and sites around the country.

Please visit our Round Table and the sites of the National Park Service!

Paul Hauser,

President of the Civil War Round Table of St. Louis
