

March 2016

Members & Friends of the Civil War Round Table of St. Louis,

As St. Patrick's Day and the First Day of Spring approaches, our round table will offer three very diverse menu items to close out our 2015-2016 campaign. Archeology of Missouri's Civil War Battlefields, the Lincoln-Douglas Debates and the Marines at Harper's Ferry will be offered to satisfy your Civil War hunger.

If you are looking to color your Civil War history "green" in honor of St. Patrick's Day, I would suggest you explore the life of Patrick Ronayne Cleburne. He was born in County Cork, Ireland on St. Partrick's Day in 1828 and at the age of 33 began his career as a private in the Confederate army. The rest of his story is worth your investigation.

I hope to see you at one or all of our last three meetings of our 2015-2016 campaign where our round table "Brings History to Life."

Sincerely,

Paul Hauser, President
