

May 2015 President's Letter

Members and Visitors to our Website,

On May 27, the Civil War Round Table of St. Louis will hold its final meeting for the 2014-2015 campaign before we recess for the summer months. I want to thank our officers, board and members, who filled our many volunteer positions. You made this year a great success!

To our membership, you have my utmost admiration for keeping interest alive in America's Civil War. Without your membership dues and attendance at our meetings, our round table would not be able to "*Bring History to Life.*"

I hope everyone has a safe and fun summer. I will visit with you again in September.

Visit a Civil War Battlefield this summer!!!

Paul Hauser
President
