Missouri

Everyone,

This is the 12th annual Hulston Mill Civil War Days, an event hosted yearly by the Dade County Historical Society! Where can you go where you can watch a Civil War battle reenactment, enjoy music, lifestyle demonstrations, period fashion show; all part of a civil war festival. You can watch a period "Base" (Baseball) game between Union & Confederate soldiers! Your child can join the ranks of our "Hulston Sprouts" and learn about the lives of Civil War soldiers as they march and drill with some wooden rifles. But most importantly, you can watch the operation of the historic Hulston Mill grist mill. The grist mill is about 90% restored and will be grinding corn into meal throughout the day! The event begins at 9:00 a.m. on Saturday morning and continues until 5:00 p.m. The event will kick off with General Sterling Price (Scott George) trying to rally the local citizens to the Confederate cause! Later in the morning, (Gary Morris) will portray an area Union
