Civil War Trivia

18 year old Private Shelby Norman, of Company A, 1st Iowa Infantry, would become the first Iowan killed in battle in the Civil War at Wilson's Creek. In 1896, the Soldiers and Sailors Monument in Des Moines Iowa used his likeness to represent the infantry dead of the war. Private James Baird Weaver (see photos above) of the 1st Iowa would survive the war and run for President on the Greenback Labor Party ticket. In 1880, he only received 3% of the popular vote in 1880. In 1892, he was nominated by the "People's Party of the USA" ticket, known as the Populist's, but fell short again.
